FORTHCOMING MEETINGS

Meetings to be held at the Yorkshire Aeroplane Club, Leeds/Bradford (Yeadon) Airport, by the courtesy of the Directors, commencing 14.30 hrs.

NOVEMBER 5th : Air 2000 - following last years meeting, Mr Ray Kerr will be talking about the day to day operations of the airline (Postponed from September, for which we apologise, but factors were out of our control).
DECEMBER 3rd : Grand Christmas Function.

EDITORIAL

The Christmas Function on December 3rd is now a popular annual event, and your support is requested to make it even better than before.

Whatever help you can give producing mince pies etc, any goodies to eat or drink (excluding alcoholic drinks) would be appreciated. To make the raffles even more interesting we would like you to contribute anything you can spare that might be suitable as a raffle prize. Aviation affiliated type products for one raffle, and any general prizes for the other. Thank you in anticipation.

LBA MOVEMENTS REVIEW - SEPTEMBER 1989

Two foreigners on the 1st to start the month off in style, F-GJMJ is a newly registered Beech 200 imported into France from Italy where it was I-CUVI, and I-CIPA is a Cessna 501 Citation. Cherokee Arrow N91253 visited on the 2nd and 3rd whilst the Bolkow 208C Junior D-ECGO on the 3rd is a new UK import. Night stopping on the 4th was Challenger C-FEAO which is reported to be due to become EI-BYN in due course. The Annual Carpet Fair in Harrogate usually produces lots of foreigners, this year the only good day was the 5th when we had the Jetstream OO-IBJ, Navajo PH-GYN, Cessna 402B OO-SVD, Seneca OO-VTA, Cessna 421C OY-SUL and Cheyenne SE-KDG, plus the Irish based Seneca N3036A. On the 6th a TEA charter brought in Boeing 737 OO-LTA in the morning and OO-LTB doing the return flight in the evening. Using the callsign 'Martinair4407' on the 7th was Citation II PH-MBX, also noted that day was Cessna 172N N738GR and the newly converted Falcon 20-731 F-BIHY. The Air Transat Tristar on the 7th was C-FTNB and this went u/s on arrival, eventually another Tristar arrived to take the pax on to Stansted in the shape of C-FTNA which is currently on lease to Air France. C-FTNB departed to Stansted on the 9th. Night stopping on the 8th was Beech E90 F-BUTS. Having just got rid of the u/s Tristar on the 9th, that days Aviogenex Boeing 737 YU-ANU promptly went u/s and had to night stop. The following days East Midlands flight diverted in with a repair crew and this proved to be YU-ANZ on its first visit to LBA. Noted on the 11th was Cessna T210F D-EAMK and on the 12th we had Cessna 501 OE-FMS and Lear Jet HB-VFD callsign 'Aeroleasing721'. Another Beech E90 was F-GETJ on the 13th and Cessna R172K EI-BJO visited on the 14th. The Emerson Electrics Falcon 50 N8300E called in on the 18th and Air Provence did a charter with Gulfstream 1 F-GFGV on the 19th. The 20th saw another visit from the UK based Malibu N9168Q and Lear Jet 55 I-KILO made its second visit of the year on the 22nd. D-IFHZ on the 25th is a Cheyenne. Two biz-jets on the 26th were Lear Jet 35 SE-DEA and HS125-800 N961JC. Two more biz-jets finished off the month, Gulfstream II N357H of Heinz Foods on the 27th and the Falcon 10 F-GHLT (c/n 92 and ex N1PB) on the 29th. The Military visitors are dominated by Hercules this month. Starting on the 2nd with XV307 'Ascot5872/5338' and XV214 'Ascot5873/5339'. On the 5th Scout XP910 was 'Army476' and on the 6th Islander ZG848 was 'Army370'. Hercules XV221 arrived as 'Ascot5916' on the 7th and stayed until the 9th doing parachute drops each day. On the 9th Gazelle XZ345 was 'Army522'. Two more Hercs on the 16th, this time XV202 was 'Ascot5874/5340' and XV294 was 'Ascot5875/5341'. Last of the Hercules was XV185 'Ascot4742' on the 29th. Two almost military visitors were Auster AOP 9 G-BGTC on the 1st which is painted as XP282 and which stayed until the 23rd, and Chipmunk G-BBWN on the 14th which is painted as WZ876. Boeing 757 EC-EMV/N510SK did engine runs on the 6th and finally left for Luton on the 21st. The Boeing 737 EC-ENT was painted as EI-BZR on the 9th and went to Manchester on the 11th. We have lost three residents, Cessna 340A G-BISJ, Cessna 441 G-BLCZ and Cessna T303 G-GAME have all gone. Coming the other way was the Cessna 340A C-OCAN which arrived on the 16th, and King Air G-HFGP is also now resident. Finally two interesting overshoots were Canberra WJ866/BL on the 1st and Spitfire G-ALGT on the 9th.

The A5 registration on the 3rd was going to the British Roverspace 146 maintenance facility at Prestwick, and was for sure the first such registration to be noted by me. How many of us know where A5 is? How many of us can look at a map of the world and straight away put our finger on Bhutan? The aircraft is bound for Druk Air and will be one of three on the Bhutan register.

NEWS

LTU services being operated by B767-300 aircraft, especially on LTU1542 flight. D-AMUN noted. The PAA/AFL joint freight service runs regularly, in fact the IL76 crosses OTR every Thursday around 1200 routing to SNN, as PAA4161. PAA4163 is a Saturday flight and routes along UBI in the evening. Most services so far have been CCGP76750 and 76473.

Tie-ups are available on Westbound Atlantic flights and for European I.T. operations into U.K. airports. Send lists in order, with a stamped, self addressed envelope to:-

S.Rigg, 16 Castle Road, Sandal, Wakefield. WF2 7LY.

Thanks as usual to David Elam.
